- Interpretation on application of SOLAS, MARPOL and Load Line requirements for major conversions of oil tankers
- Consideration of IACS unified interpretations
- Development of a mandatory Code for ships operating in polar waters
- Application of amendments to SOLAS chapter III and the LSA Code

- Guidelines for a visible element to general alarm systems on passenger ships
- Improvement of existing pollution prevention equipment
- Development of guidelines for a shipboard oil waste pollution prevention plan
- Manually operated alternatives in the event of prevention pollution equipment malfunctions
- Work programme and agenda for DE 54
- Any other business
- Report to the Maritime Safety Committee

Members of the public may attend this meeting up to the seating capacity of the room. To facilitate the building security process, those who plan to attend should contact the meeting coordinator, Mr. Wayne Lundy, by e-mail at Wayne.M.Lundy@uscg.mil, by phone at (202) 372-1379, by fax at (202) 372-1925, or in writing at Commandant (CG-5213), U.S. Coast Guard, 2100 2nd Street, SW, Stop 7126, Washington, DC 20593-7126 not later than 72 hours before the meeting. A member of the public requesting reasonable accommodation should make such request prior to January 14th, 2010. Requests made after that time might not be able to be accommodated. Please note that due to security

considerations, two valid, government issued photo identifications must be presented to gain entrance to the Headquarters building. The Headquarters building is accessible by taxi and privately owned conveyance (public transportation is not generally available). However, parking in the vicinity of the building is extremely limited. Additional information regarding this and other IMO SHC public meetings may be found at: www.uscg.mil/imo.
